

TED SWINDLEY PRODUCTIONS, INC.

28 January 2004

TO WHOM IT MAY CONCERN:

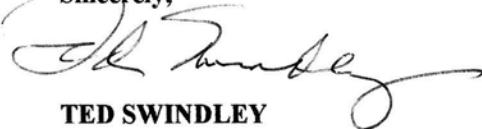

I am writing this letter to recommend to you Mr. Gary John LaRosa. As author of the musical, "Always...Patsy Cline", I have observed Mr. LaRosa excellent work on two productions of my show, and will certainly recommend him to direct future productions of it.

I find him to be dedicated to his craft, thorough in his preparation, and clear in his communication. He works extremely well with actors, designers, and technicians alike.

I also believe because of this passion for the theatre that his career will go far.

Don't hesitate to contact me if you have any further questions. I trust that you will give Gary John LaRosa your most serious consideration.

Sincerely,

A handwritten signature in cursive script, appearing to read "Ted Swindley", written in black ink.
